SECOND HAND BOOKS:

Please find below the list of second hand books that are able to be purchased second hand.

When purchasing books please ensure that you purchase the most up to date books as a number of items are new editions or new books to the school. The correct books are named correctly on the second hand books list.

Please do not purchase second hand workbooks.

If you wish to purchase second hand books for 2016 you can do so using the following methods:

1. Ask your child to speak to an older student in their homeroom to see if they wish to sell their books. EG: year 7s asking year 8s. They can then swap phone numbers or emails; or

2. Join a Facebook group such as
   - Sunbury and surrounds, buy, swap and sell
   - Macedon ranges buy, swap and sell

The prices on the list are the recommended retail prices. Obviously second hand books can be sold for whatever price the seller chooses. It would be worthwhile checking the condition of the text before purchasing. Some VCE students may wish to purchase a new book so they can highlight the relevant content as part of their study program.
