2025 UNIFORM GUIDE

At Salesian College Sunbury, we strive to be a Faith Community committed to Excellence in Learning. The College Uniform is a visible symbol of the College and a public declaration of its values, standards and beliefs. It creates a sense of individual and collective pride in students and their identification with the College. It is a symbol of equality among students and demonstrates mutual respect. Wearing the uniform correctly is an expectation for all students enrolled at the College, and the following guidelines will assist in promoting a better climate of learning for all.

The school uniform draws attention to our College, and great care should be taken to ensure it is worn with pride and respect. When the uniform is neat and tidy, our visitors, parents and community view us with the warmest respect. People like seeing students presented as respectable and friendly. Our College uniform is practical, attractive and highlights our values and character.

The College expects students in uniform to be well-groomed at all times. If uniform needs repairing or is unavailable, an alternative should be worn and a signed note from a parent or guardian explaining why should be given to the student’s Year Level Coordinator.

- A disability or health condition requires uniform adjustments (medical documentation required).
- Economic hardship prevents compliance with the guidelines.

The Principal or delegate will assess requests, often meeting with the family to find a resolution, such as temporary exemptions or referrals to support services. If an exemption is denied, written reasons will be provided.
